EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

1. In page 1 of Specification, replace the paragraph titled "Cross References to Related Applications" with the following paragraph:

Cross Reference to Related Applications

This continuation-in-part application claims priority from nonprovisional application 10/445,523 filed May 27, 2003, now abandoned, which claims priority from provisional application USSN 60/386,138 filed June 5, 2002, from provisional application USSN 60/388,617 filed June 13, 2002, from provisional application USSN 60/389,870 filed June 19, 2002, from provisional application USSN 60/393,200 filed July 1, 2002, and from provisional application US SN 60/413,534 filed September 25, 2002.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicants' response, which included amendment to claims 1, 21, 29 and 39, addition of claims 47-53 and cancellation of claims 3-5,32-36, 38 and 40-46, filed on 11/9/2006, is made of record. Claims 1, 2, 6-31, 37, 39 and 47-52 are now pending.

In view of applicants' response, 112 second paragraph rejections made in the previous office action have been obviated.

Art Unit: 1624

The compound of formula shown in claim 1, wherein A is CH, m and n are one, namely, piperidine compounds, embraced in the instant claims was not found to be anticipated or rendered obvious by the prior art of record. Additional search in the related art area also did not yield any prior art teaching the piperidine compound of formula shown in claim 1, wherein A is CH, m and n are one, embraced in the instant claims. Therefore, the examiner noted that the claims 1, 2, 6-31, 37, 39 and 47-52 would be in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
